

## **Immunization Requirements**

All international visiting students must show proofs of immunizations/serologic confirmation of screening test for tuberculosis at the time of application. All foreign documentation must be translated into English. Elective approval will be denied if documentation is not provided. Certificates must be signed by the dean with the seal of the medical school.

- Tuberculosis: A **NEGATIVE** chest x-ray with its PDF (300 dpi or higher) **OR** QuantiFERON-TB (QFT)
